

Remarks

Claims 44 through 54 remain pending in the application and have been allowed.

Claims 48 and 50 are amended herein to correct inadvertently omitted text. Specifically, Claim 48 has been amended to recite an aspect of the invention in a manner identical to the recitation of the same aspect in Claim 44. Claim 50 has been amended to insert an omitted word. The amendments more succinctly recite the invention and are not proposed to be made for any reasons related to patentability. No new matter has been added.

It is respectfully submitted that the proposed amendments do not add any new matter and do not affect the allowability of the application. The need for the proposed changes was only recently discovered. No additional claims are being presented. Given that there is an identical recitation in Claim 44 of the text being added to Claim 48, no additional search should be necessary. It is respectfully submitted that their entry would not place undue burden on the Patent and Trademark Office.

Favorable consideration and entry hereof are earnestly solicited.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
